Founder

Sanjeevani Life Beyond Cancer

This month of May brings together three significant observances: Canutsav, Nurses Day, and World No Tobacco Day. Each holds immense value for Sanjeevani Life Beyond Cancer and the lives we touch.

Nurses Day: Recognizing Our Angels

On Nurses Day, we express our deepest gratitude to our incredible nurses. They are the backbone of the hospital, the ones who walk hand-in-hand with our patients on their journeys. Their compassion, dedication, and expertise make a world of difference, offering comfort, guidance, and unwavering support. We are truly blessed to have them.

Canutsav: A Celebration of Life

Canutsav- the celebration of life, serves as a beautiful reminder of our core mission – to empower cancer survivors to thrive. It's a time to honor the strength and resilience of our community, those who have battled cancer and emerged stronger. We celebrate their victories, big and small, and reaffirm our commitment to providing support and resources for a fulfilling life beyond cancer.

World No Tobacco Day: Promoting a Healthier Future

World No Tobacco Day serves as a stark reminder of the devastating impact of tobacco use. We, at Sanjeevani, understand more than most the toll it takes on lives. This day, we pledge to continue educating our community about the dangers of tobacco and advocate for a smoke-free future.

May is a powerful month, filled with moments of reflection, appreciation, and a renewed commitment to our mission. Together, let us celebrate life, honor our nurses, and fight for a healthier tomorrow.

With heartfelt gratitude

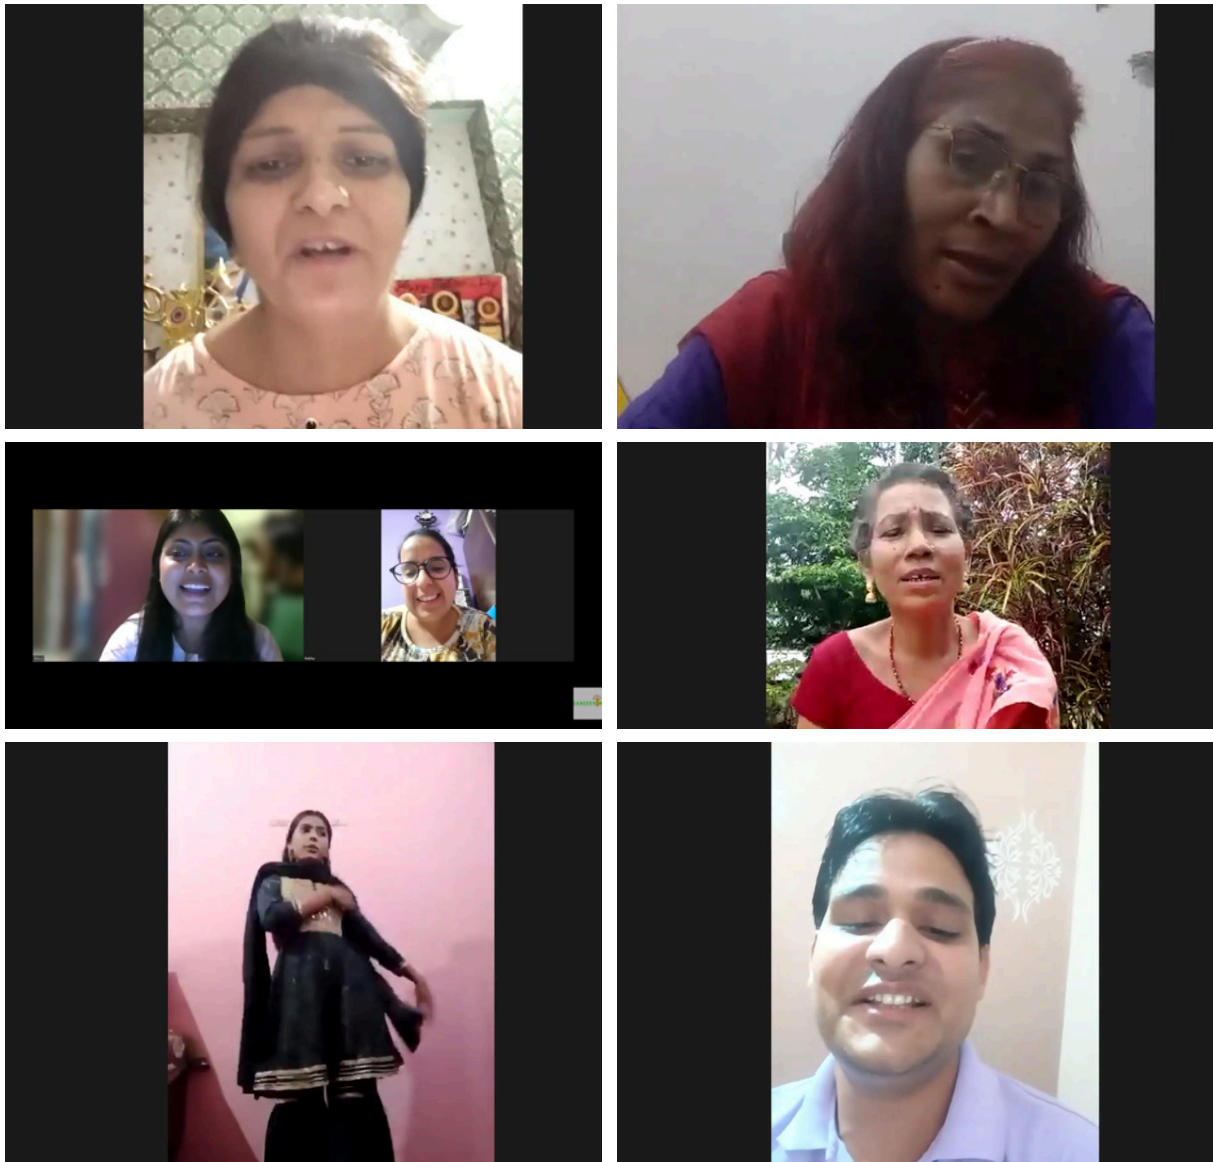

Ruby Ahluwalia

CELEBRATION OF NURSES DAY

In a heartwarming display of appreciation, Sanjeevani Life Beyond Cancer celebrated Nurses Day at all their centers across the country. Nurses, the backbone of patient care, were presented with thank-you letters expressing gratitude for their tireless dedication to cancer patients. The day culminated in a joyful cake-cutting ceremony, solidifying the sense of community and recognizing the nurses' invaluable contribution to raise the bar of Cancer Care in India.

CAN UTSAV- A CELEBRATION OF LIFE

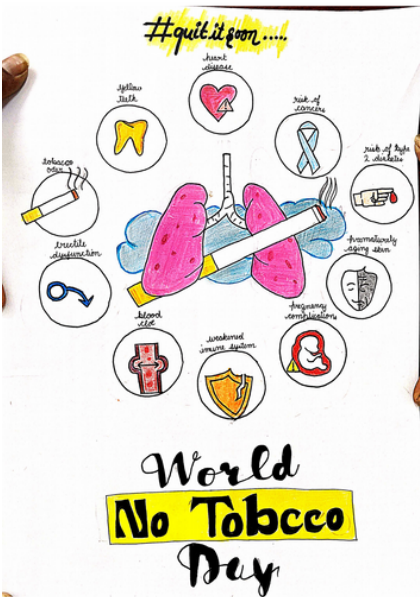

We at Sanjeevani Life Beyond Cancer understand the immense strength it takes to face cancer. That's why we're proud to host CanUtsav, a monthly event celebrating the resilience of those fighting and overcoming this disease.

CanUtsav is a unique gathering that brings together our patients, donors, and team members for a powerful purpose: to celebrate life. It's a space to share their interest, offer encouragement, and find joy in the shared journey towards a brighter future.

CanUtsav is a powerful reminder of the difference we make every day. It's a chance to connect with the patients we serve and celebrate their resilience.

WORLD NO TOBACCO DAY

In recognition of World No Tobacco Day, our teams across various centers hosted an inter-collegiate poster making competition. This initiative proved to be a powerful tool for raising awareness about the dangers of tobacco use. Students channeled their creativity into impactful posters, educating their peers and the wider community about the health risks associated with tobacco products. This engaging competition fostered a spirit of collaboration and provided a platform for students to become active participants in promoting a tobacco-free future.

IMPACT MAY - 2024
